The number of cattle penned at the Toowoomba sale remained very close to the previous weeks level at 228 head. Young cattle were in the largest numbers, along with a small selection of heavy grown steers bullocks and cows. Buyer representation was good and included the regular export processors feed and trade operators, as well as local and interstate restockers. Light weight yearling steers continued to experience very strong support from restockers. Yearling steers to feed for the domestic market followed a similar trend. Yearling heifers for future breeders improved in price. Heavy grown steers bullocks and cows to export processors received strong support for the quality penned.

Light weight yearling steers returning to the paddock made to 650c to average 634c/kg. Yearling steers to feed for the domestic market averaged from 584c to 622c with sales to 625c/kg. Yearling heifers to feed averaged from 516c to 518c and sold to 566c, with some to restockers reaching 608c/kg.

A handful of bullocks made to 441c to average 440c, and a few full mouth bullocks made to 389c/kg. The best of the cows made to 385c/kg. Heavy weight bulls made to 366c/kg.
