COLX agents penned a smaller yarding this week following Monday's weaner and feeder sale, with 1,872 head on offer. Quality and condition were again very good, although prices eased for many of the classes on offer with the exception being grown heifers which improved in line with the quality and condition on offer. One major processor was not operating and the usual feeders and restockers operated throughout.

Calves reached 599c for steers to average 570c/kg for the best mixed sexes. Vealer steers averaged 532c to 560c with vealer heifers averaging 430c to 461c/kg, selling to 495c/kg. Yearling steers in light pens sold to 598c to average 433c to 488c/kg. Medium and heavy pens topped at 455c to average 429c to 439c/kg. Light and medium weight yearling heifers made to 419c to record averages from 378c to 396c/kg. A few heavy weight pens made to 431c and averaged 389c to 412c/kg.

Feeder steers fitting specifications averaged 406c to 413c with those heavy pens making to 373c to 399c/kg. Grown heifers sold to 427c on the odd occasion to restockers with feeders paying to 389c for their best, to average 360c to 380c/kg. Prime, four score heifers averaged 389c/kg to processors. Two score cows, PTIC, sold to 289c with heavy PTIC cows making to 311c/kg. Heavy, four score cows topped at 299c to average a reduced 293c/kg. Heavy bulls sold to 353c and averaged 326c/kg. Just a few pens of cows and calves offered sold strongly to make from \$2,880 to \$3,000/unit for the best.
