

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Dalby

report date 29 Jun 2016

Yarding Change 5086  
2411

comparison date 22/06/2016

The supply of stock almost doubled and overall quality was fair to good. Buyer representation was also good and most were operating. Steer calves returning to the paddock sold to a dearer trend while lightweight yearling steers and heifers to restockers generally sold to very solid demand. Medium and heavy weight yearling steers to feed lifted in price by 2c to 8c/kg. However medium weight yearling heifers to feed averaged 12c/kg better and heavy weight yearling heifers to feed were noticeably dearer. Heavy grown steers and bullocks experienced very little change in price. However cows experienced a mixed trend with plain condition cows returning to the paddock improving in price, while good heavy cows to export slaughter averaged 4c/kg cheaper.

Steer calves to restockers made to 394.2c with a large selection of mixed sex calves averaging 361c/kg. Lightweight yearling steers returning to the paddock made to 386.2c, with most around 362c/kg. Medium weight yearling steers to feed mostly sold in the mid-to-high 360c range, with some to 375c/kg. Heavy weight yearling steers to feed made to 359.2c to average 345c/kg. Medium weight yearling heifers to feed made to a top of 359.2c with the largest numbers around 338c/kg. Heavy weight yearling heifers to feed made to 348.2c on a few occasions to average 344c/kg.

Heavy grown steers averaged 337c and bullocks made to 351.2c, to average 345c/kg. Plain condition cows to restockers made to 264.2c with most around 245c/kg. Medium weight 2 score cows to processors averaged 229c/kg. Good heavy cows made to a top of 295.2c with a fair sample just under 280c/kg. Heavy bulls made to 287.2c/kg.
