

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 14 Feb 2017

Yarding Change ¹²⁶⁷
-433

comparison date 07/02/2017

Numbers were down by just over 400 for a yarding of 1,267 head. Young cattle were well supplied, while there was a fair penning of grown cattle. The yarding of young cattle consisted of a large number of light yearlings and vealers. Quality of the young cattle was mixed, with several pens of well-bred cattle suitable for feeders and restockers, and there was only an odd pen of yearlings that went to the trade.

The market was generally cheaper, with restocker vealer steers selling to a top of 408c/kg. Restocker vealer steers went against the market trend to be 10c dearer, selling to a top of 370c/kg. Medium weight feeder steers were firm to 4c cheaper, selling to 344c, and averaging 334c, while those to restockers sold to 372c/kg. Feeder and restocker yearling heifers were up to 20c cheaper to average 302c/kg. The few trade yearling heifers sold to a tope of 345c/kg.

The yarding of export cattle consisted of a few less grown steers and heifers, while cows were in fair numbers, with quality mixed in a cheaper market. The younger grown steers were less affect to be down by 10c selling to 317c, however heavy bullocks lost 20c to average 279c/kg. Grown heifers sold to a top of 278c/kg. The cow market was down 5c to 10c, with 3 score medium weights (under 520kg) averaging 227c and heavy cows selling to a top of 244c/kg.
