

## Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

### Emerald

report date 16 Nov 2017

Yarding Change <sup>1976</sup>/<sub>36</sub>

comparison date 09/11/2017

Emerald sale vendors penned 36 head more this week than last with 1,976 head on offer. Cattle were yarded from all local and near local areas with several good lines of Nebo district cattle also present. There was a full panel of buyers in operation and the competition was strong - keeping prices above last sale for the lighter young cattle

Light vealer steers averaged 369c to restockers with sales to 387c, whilst the vealer heifers made from 324c to 333c/kg. Yearling steers sold from 289c through to 300c/kg for the best. Most yearling heifers made from 275c to 280c/kg. There was a very good offering of heavy 4 score bullocks which sold to a top of 290c, and averaged slightly less than last week at 264c/kg.

Heavy score 4 cows also eased by 8 to 9c, to average 225.6c/kg. Heavy bulls were a little easier, averaging 242c, with sales to 255c/kg. There were a couple of pens of good quality cows and calves on offer which made \$1,560 and \$1,650/unit.
