

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 30/11/2021

Yarding 903
Change 426

comparison date 23/11/2021

Numbers increased by 426 head to 903 cattle at Warwick. All the regular export processors were present and operating along side feeder operators and a large panel of restockers buyers. With steady rain continuing to fall during the sale prices lifted across the feeder and restocker lines, however heavy weight cows could not maintain last weeks rates and reduced by 10c to 20c/kg. The yarding was dominated by heavy bullocks, cows and heavy feeder cattle with only a small penning of light weight restocker lines on offer.

Light weight yearling steers sold to 878c/kg. Yearling steers in the 200 to 280kg range returning to the paddock averaged 736c and sold to 802c/kg. Yearling steers over 280kg made to 700c and averaged 664c/kg. Yearling steer under 400kg to restocker averaged 651c and made to 691c/kg. Heavy yearling steers to feed made to 632c and averaged 582c/kg. Light weight yearling heifers to background sold to 780c and averaged 729c/kg. Yearling heifers to feed for the domestic market averaged 630c and sold to 658c/kg. Yearling heifers under 400kg to feed sold to 606c and averaged 576c/kg.

Well finished young bullocks to processors made to 524c to average 455c/kg. Heavy heifers to the wholesale meat trade made to 440c/kg. Good heavy weight cows averaged 394c and made to 412c, with several high yielding cows selling to 425c/kg. Heavy bulls made 390c/kg. Cows and calves sold open auction ranged from \$2200-\$4100/unit.
