

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Emerald

report date 10/10/2019

Yarding 1748
 Change 603

comparison date 03/10/2019

An increased yarding of 1,748 head, 603 more than last week, met with good competition from an expanded buying panel. Cattle came from local areas and comprised a majority of very well bred cattle along with a line of poorly bred, plain conditioned cattle. Local restockers provided the best competition for their purchases and processors improved values for slaughter descriptions.

The best bred pens of yearling steers averaged 305c for the light weights and sold to 334c with lighter and plain pens averaging from 260c/kg to 283c/kg. Yearling heifers to the trade made to 275c with 330kg to 400kg heifers to feed making to 259c and averaging 250c/kg. Lighter and plainer lines made from 195c to 241c/kg.

The 4 score grown steers reached 303c to average 300c/kg. Grown heifers topped at 282c with those to the trade averaging 270c to 272c/kg. The 2 score cows made to 196c to average 160c to feed and 174c/kg to processors. Heavy 4 score cows made to 255c and return a 240c average, up 27c/kg on last week. The best bulls returned 269c and averaged 243c/kg.
