

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Emerald

report date 11/07/2019

 Yarding 1400
 Change 754

comparison date 27/06/2019

Emerald agents penned an increased yarding of 1,400 head, up 750 head on the last regular sale of two weeks ago. Quality was very mixed in some classes, however competition from a good field of buyers which included one more processor improved prices for finished lines. Cows in particular improved considerably. The cattle were drawn from local areas, mostly together with some from Aramac.

A few pens of plain conditioned calves sold to restockers to a top of 213c, to average 208c/kg. Vealer steers topped at 301c, averaging 289c/kg to restockers. Vealer heifers made to 213c and averaged from 188c to 210c/kg. Yearling steers sold to 292c, averaging from 260c to 280c/kg for the better bred pens. There were occasional sales to 253c for yearling heifers, which returned averages from 206c to 230c/kg.

Grown steers sold to 308c for 4 scores, while feeder steers averaged from 268c to 296c, selling to a top of 299c/kg. Grown heifers to the trade topped at 292c with grain assistance, and averaged from 279c for the best presented pens, back to 216c/kg for older, lesser bred pens. Cows saw large improvements, with 2 scores making to 197c, averaging 175c/kg. Heavy 4 score cows topped at 230c to average 217c, while heavy bulls made a top of 264c, averaging 248c/kg.
