

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

COLX Gracemere

report date 01/11/2019

 Yarding 1577
 Change -59

comparison date 18/10/2019

The yarding at COLX decreased by 696 head with 1,577 head offered. Cattle came from the local area mostly, although there were lines from Bowen and Taroom on offer. There were very few larger lines of one vendor cattle and the yarding comprised a larger than normal percentage of poorly bred and drought affected lines. There was a healthy line up of buyers and competition for the better finished, heavy, well bred cattle was strong.

A few calves sold saw males top at 250c with mixed sex averages of 215c/kg. Yearling steers reached a top of 294c with the light weights averaging 274c and heavier pens averaging 290c/kg. A large sample of 200kg to 280kg yearling heifers sold to 268c with feeders averaging 235c and restockers, averaging 244c/kg. Heavy yearling heifers topped at 272c to average 266c/kg to feed. There were very few grown steers, however a reasonable sample of 4 scores sold to 314c to average 309c/kg.

Two score cows made to 206c to processors whilst the best of the 4 score cows made to 239c and averaged 229c/kg. Heavy bulls mostly went to processors with an average of 267c, the best making 300c/kg. Good average quality cows and calves made from \$950 to \$1,150 per unit.
