

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### CQLX Gracemere

report date 05/07/2019

Yarding 2945

comparison date 28/06/2019

Change 675

The yarding at CQLX Gracemere increased by 675 head to 2945 head from last week. Cattle were supplied mainly by local vendors although there were cattle from south to Theodore and north to Collinsville. Overall it was a very good quality and conditioned offering and prices reflected this, with local restockers and another processor adding to the usual panel of buyers. Competition was good across most categories, although weaner heifers were still hard to move at the end of the day.

Steer calves topped at 270c/kg with the best mixed sex calves averaging 230c/kg to 240c/kg to restockers. Vealer steers averaged 259c/kg, selling to 274c/kg. Vealer heifers averaged 180c/kg for the best bred pens and sold to 200c/kg. The best yearling steers made 282c/kg with averages from 264c/kg to 272c/kg for a large portion of the offering. Yearling heifers topped at 252c/kg occasionally to return averages from 234c/kg to 242c/kg for the best of the medium and heavy weights whilst light lines were harder to sell - averaging from 190c/kg to 208c/kg. Grown steers went to feed and restockers from 258c/kg to 265c/kg average. The few 4 scores on offer made to 290.2c/kg. 4 score grown heifers sold to the trade to a top of 248c/kg, averaging from 193c/kg to 227c/kg. Feeders and restockers averaged from 204c/kg to 232c/kg for theirs. Restocker and feeder cows, with fair to good frame, topped at 177c/kg whilst prime heavy 4 score cows, which were well represented, improved by 40c/kg to average 217c/kg with sales to 237c/kg. Live Export bulls averaged 263c/kg with a top of 274c/kg. Good quality brahman cows and calves sold from \$940 to \$1,100 per unit.
