

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### COLX Gracemere

report date 11/10/2019

Yarding 1874

comparison date 04/10/2019

Change -271

There was a smaller yarding of 1,874 head presented at COLX Gracemere sale, back 271 head on last sale. Cattle came from the usual draw areas of Central Queensland and were very mixed in quality and condition which made buying much more challenging. Consequently, prices struggled to maintain previous rates in many classes.

Light yearling steers made to 282c with averages of 261c/kg. Medium weight yearling steers to feed sold to 287c, to average 275.4c with a few supplementary fed heavy yearling steers selling to the trade at 304c/kg. Light and medium weight yearling heifers topped at 244c to return a 220c average, whilst a few plain runs averaged 185c/kg.

Grown steers to feed reached a top of 286c and averaged 283c/kg. The few grown steers and bullocks to slaughter averaged 295c and sold to 299c/kg. Plain light conditioned cows varied with quality while the best of the heavy 4 score cows topped at 239c, averaging 7c less this week at 225c/kg. The better bulls sold to live export averaged 254c/kg. A small offering of cows and calves saw the good average quality pens make from \$875 to \$975 per unit.
