

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### CQLX Gracemere

report date 12/07/2019

Yarding 2845  
 Change -100

comparison date 05/07/2019

Gracemere agents penned 2845 head, 100 head less than last week. Overall a good quality yarding with some mixed lines in the older heifers and cows which resulted in wider price variations. Cattle came from the local Central Queensland area mostly with a few from the forest country near Taroom. Buyers consisted of the usual line up with the addition of an extra feeder buyer and a couple more restockers. Prices improved for most of the young cattle however cows, older heifers and steers eased a little.

Male calves going to restockers topped at 280c/kg. The main run of vealer steers averaged 275c with sales to 298c/kg. Vealer heifers topped at 224c to return averages from 193c to 210c/kg. Yearling steers returned quality related averages from 274c to 289c with the best selling to 300c/kg. The best of the yearling heifers made 245c, averaging 217c to 230c/kg for best bred lines. Feeders paid to 296c for grown steers to average 274c to 276c/kg.

A few 4 score bullocks sold to 284c/kg. Prime grown heifers topped at 256c, returning averages from 220c to 230c/kg. Heavy 4 score cows sold to 228c with a large sample averaging 213c, 4c/kg easier than last week. 2 score cows to processors made to 179c/kg. Heavy bulls mostly went the way of live exporters to average 269c/kg. Good average cows and calves made from \$925 to \$1130/unit.
