

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### CQLX Gracemere

report date 22/01/2020

Yarding 1740  
 Change -710

comparison date 15/01/2020

Following some welcome falls of rain in the draw area, CQLX Gracemere Vendors penned a smaller yarding of 1,740 head, a decrease of 710 head on last week. The majority came from local areas and were met with strong competition from a full field of buyers which comprised the regular panel plus an additional processor and restockers. Prices improved in most categories except where there was a variation in quality which produced an easing.

A small offering of vealer steers sold to 280c, averaging 271c/kg for the best. Likewise, vealer heifers were also in short supply, with the best forward conditioned pens selling to 282c/kg. Other plainly bred pens averaged from 180c to 228c/kg. Yearling steers sold to feed to 328c, returning averages from 286c to 305c/kg in line with quality and condition. The yearling heifers also showed strong improvements selling to 316c with live exporters and feeders the main players. Averages ranged from 258c to 303c/kg for the best bred pens.

Grown steers to feed topped at 336c to average from 302c to 316c/kg with a few grown steers to processors making to 308c/kg. Feeders and live exporters competed with processors for the grown heifers pushing to 298c for the best and averaging from 264c to 291c/kg for the best presented pens. Processors paid to 238c for 2 score cows in competition with feeders who averaged 220c/kg for their best. 4 score cows reached 272c with heavy cows averaging 264c/kg. Bulls were one category to ease this week, averaging from 263c to 272c/kg. Well bred cows and calves sold from \$900 to \$1,150/unit.
