

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Prime

report date 18/07/2019

Yarding 913
 Change 65

comparison date 27/06/2019

Cattle numbers rose to 913 head for the fortnightly Roma Prime Sale. Cattle were drawn mostly from the local supply area, along with a number from the McKinlay region. A larger panel of buyers including southern operators were present, however not all processors were operating. Cows dominated the yarding. A run of local bullocks was yarded, and bull numbers increased while there were limited numbers of other classes present. The overall quality of the yarding was good. Prices increased sharply from the previous fortnightly Roma Prime sale and were more reflective of both this weeks Roma Store Sale and the Dalby market yesterday.

The best of the limited number of grown steers sold to 293.2c to average 284c/kg. Grown heifers made to a top of 270c to average 270c/kg. Medium weight 2 score cows made to 218c to average 197c while the medium weight 3 score cows sold to 231.2c to average 227c/kg. Heavy weight 3 score cows made to 245.2c to average 227c and heavy weight 4 score cows made to 256.2c to average 241c/kg. The best of the heavy weight bulls made to 270.2c to average 257c/kg

The next Roma Prime Sale will be on Thursday 1st August.
