

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Roma Prime

report date 27/06/2019

Yarding 848  
 Change -13

comparison date 13/06/2019

The supply of stock at the Roma prime sale remained very close to the level of the previous sale two weeks ago. The yarding was once again dominated by cows, and a larger number of bulls, plus a small sample of grown heifers, and full mouth bullocks. Export buyer attendance was generally good and all were operating. All classes of cows continued to experience very strong support from export processors, and this trend also flowed onto the grown heifers, and bullocks.

Heavy grown heifers made to 281.2c to average 275c, while a small sample of lesser quality lines averaged 237c/kg. Full mouth bullocks made to 268.2c to average 266c/kg. Medium weight poor condition cows averaged 145c, and the better 2 scores average 169c, with sales to 180c/kg. Heavy 3 scores averaged 196c and made to 200.6c/kg. A fair selection of good heavy cows mainly made close to 208c, with sales to 215.2c/kg. Heavy bulls made to 266.2c, with a relatively large sample averaging 230c/kg.
