

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 14/01/2020

Yarding 2365
Change -123

comparison date 07/01/2020

Cattle Numbers fell to 2365 down by 123 at the Roma Store Sale as producers wait on the outcome of the forecast rain event later this week. Cattle were again mostly drawn from the local supply area. A good panel of buyers was operating with all the regular processors present. Steers and heifers were yarded in equal numbers along with a good number of cows. Notably a larger number of calves were also yarded which mostly sold on a dollars per head basis. The quality of the yarding varied and prices were reflective of the variations, but overall prices improved significantly from the previous week. Feedlot competition was strong on sought after lines of cattle. Medium weight yearling steers under 330kg to feed rose by 34c to 41c/kg. Medium weight yearling heifers under 400kg to feed rose by 31c to 54c/kg. Cows also saw a marked improvement with medium weight cows up from 11c to 40c/kg, while the heavy weight cows rose by 38c/kg.

A good sample of quality medium weight yearling steers under 330kg to feed made to a top of 322.2c to average 307c/kg. Medium weight yearling steers under 400kg to feed sold to 313.2c to average 301c/kg. Quality medium weight yearling heifers under 330kg to feed sold to 291.2c, to average 274c/kg. Medium weight yearling heifers under 400kg to feed made to a top of 294.2c to average 288c/kg.

There were limited numbers of grown steers and bullocks yarded. Grown heifers sold to 289.2c to average 247c/kg. Medium weight store condition cows sold to 198.2c to average 174c/kg, while the medium weight 3 score cows sold to 240.2c to average 227c/kg. Heavy weight 3 score cows also made to 240.2c to average 228c/kg, while the heavy weight 4 score cows reached a top of 244.2c to average 238c/kg.

The first Roma Prime Sale for 2020 will be held next week on Thursday the 23rd of January and fortnightly thereon.
