

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Roma Store

report date 15/10/2019

Yarding 3598  
 Change -1832

comparison date 08/10/2019

Cattle numbers reduced by 1,832 head to 3,598 at the Roma Store sale and stock were drawn from the local areas plus western districts. The regular panel of buyers were present and operating across all classes. Prices generally responded to the shorter supply with improvements across a number of categories. Light weight yearling steers returning to the paddock averaged 11c/kg better. Medium and heavy weight yearling steers to feed averaged 1c to 5c/kg dearer. Yearling heifers to feed improved in price and heavy weight yearling heifers to processors averaged 25c/kg better, however some of the improvements were due to the better quality penned. All classes of cows were in demand with gains of 7c to 19c/kg with plain condition lines improving the most.

Light weight yearling steers returning to the paddock made to 304.2c with a good sample averaging 294c/kg. Medium weight yearling steers to feed predominately averaged 290c with one consignment reaching 321.2c/kg. Heavy weight yearling steers to feed averaged 294c and made to 300.2c and processor classes averaged 299c and made to 302.2c/kg. A few pens of good quality light weight yearling heifers to feed or backgrounders made to 270.2c, while processor lines averaged 222c/kg. Medium weight yearling heifers to feed averaged 258c and made to 270.2c/kg. Heavy weight yearling heifers to processors made to 303.2c with a large sample averaging 287c/kg.

A handful of heavy grown steers to export made to 318.2c to average 312c and the occasional bullock made to 300.2c/kg. Medium weight poor condition cows averaged 179c and made to 194.2c/kg. Heavy weight 3 scores averaged 231c, while the best of the cows made to 255.2c to average 247c/kg. Heavy bulls made to 284.2c/kg.
