

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 28/01/2020

Yarding 2260
 Change -1159

comparison date 21/01/2020

Useful falls of rain across parts of the supply area reduced numbers by 1,159 head to 2,260 at the Roma store sale. Buyer attendance was generally good and all were operating. A combination of the rain, and the reduced supply resulted in prices improving across most classes. Light weight yearling steers to restockers gained over 40c/kg. Medium weight yearling steers to feed for the domestic market averaged 29c dearer, and heavy weight yearling steers to feed lifted in price by 13c/kg. Light weight yearling heifers to restockers were in demand to average 19c/kg better. Medium weight yearling heifers to feed averaged 10c dearer, and a relatively small sample of heavy weight yearling heifers to feed lifted in price by 40c/kg. All classes of cows sold to a dearer trend with improvements of 3c to 12c, and up to 19c/kg on good heavy cows.

Light weight yearling steers returning to the paddock made to 354.2c, with a good sample averaging 333c/kg. Medium weight yearling steers to feed averaged 338c and made to 346.2c/kg. Heavy weight yearling steers to feed averaged 330c, and made to 332.2c, with a handful to processors reaching 329c/kg. Light weight yearling heifers to restockers or background made to 306c to average 287c/kg. Medium weight yearling heifers to feed made to 329.2c, with a good sample averaging 313c/kg. A small selection of heavy weight yearling heifers to feed made to and averaged 330c/kg.

Medium weight poor condition cows averaged 202c and made to 210c/kg. Medium weight 2 score cows averaged 213c and made to 221c, and 3 scores averaged 238c/kg. Good heavy cows made to 279.2c with a fair sample averaging 267c/kg. Heavy bulls made to 299c/kg.
