

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Toowoomba

report date 24/06/2019

Yarding 729
 Change 204

comparison date 17/06/2019

Numbers increased by 204 head to 729, and mixed quality cattle were in the largest numbers, along with a few pens of well presented bullocks and a fair selection of cows. The usual panel of buyers was present and operating across all classes. Young light weight cattle continued to experience limited competition from restockers. However, medium and heavy weight yearling steers and heifers to feed received strong support. A few pens of young bullocks were in demand. Plain condition cows sold to a dearer trend, while good heavy cows received very little change in price.

Steer calves sold to restockers at 260.2c and heifer calves made to 218.2c, with majority close to 159c/kg. Light weight yearling steers returning to the paddock averaged 231c and made to 248.2c/kg. Yearling steers to feed, weighing 280-330kg, made to 270.2c to average 246c/kg. Medium weight yearling steers to feed averaged 262c, with sales to 271.2c/kg. Heavy weight yearling steers to feed averaged 275c and a small sample to the trade reached 297.2c to average 287c/kg. Light weight yearling heifers to processors averaged 175c and made to 183.2c and poor quality lines averaged 151c/kg. Medium weight yearling heifers to feed averaged 239c and made to 260.2c, as local trade lines averaged 251c/kg.

Well presented young bullocks averaged close to 308c and made to 309.2c, while a show bullock reached 313.2c/kg. Medium weight 2 score cows averaged 170c and made to 176.2c/kg. Good heavy cows made to 213.2c to average 206c/kg. Heavy bulls reached 228.2c/kg.
