

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 03/12/2019

Yarding 1479
 Change -849

comparison date 26/11/2019

Numbers were back 849 to 1,479 head. All buyers were present, though with an extremely mixed quality and condition yarding the market was very mixed.

Yearling steers to restocker were cheaper, while those to feed and processors were firm to dearer. Yearling heifers, light weight to restockers were cheaper, while the medium weight, better quality heifers to restockers were dearer. Heifers to feeders and processors were predominately firm to cheaper, though there were some quality weight classes that managed to buck the trend.

Grown cattle were also mixed with steers under 500kg to feed holding firm, and heavies to processors were cheaper. Heifers under 540kg to restockers were firm to dearer, while those to processors were cheaper. Cows were mostly cheaper in all categories, with the 3 score medium weight cattle defying the trend to be dearer on quality.
