Change -322

Good rains and tightening supply resulted in an extremely strong market. All the usual buyers were present with additional restocker and feeder buyers active in the light weight classes. The restocker and feeder buyers had a significant impact on the light weight cattle which pushed prices dearer for these weight classes in all stock categories, with the market dearer by more than 40c/kg in many cases.

A couple of vealer steers made to an isolated 401c/kg. Feeder weight yearling steers topped 349c, to average 341c, to lift by up to 50c/kg. The light weight yearling heifers made to 334c, to average 324c to gain up to 43c/kg. Medium weight yearling heifers to the trade made to 338c to average 331c/kg.

Grown steers were dearer, with a very small sample making to 342c, to be up by 25c/kg on average. The grown heifers made to 329c, average 318c, to lift by up 22c/kg. Cows were the biggest winners on the day with significant gains in all weight classes, with an extremely good yarding of heavy cows. Heavy 3 score cows topped 295c, averaging 284c to be up to 12c/kg dearer. The 4 score cows made to 296c, to average 293c to gain 13c, with 1 exceptional Euro X cow making to 306.2c/kg. Heavy Bulls made to 307c/kg.
