Market information provided by MLA's National Livestock Reporting Service

### Warwick

report date 05/11/2019

Yarding 1385  
 Change 220

comparison date 29/10/2019

Numbers were up 220 with all the regular buyers present. The yarding was predominately good quality cattle with restocker and feeder interest providing good support to the lighter weight classes. A good supply of 2 and 3 score medium and heavy weight cows saw this market firm to slightly cheaper.

A good supply of young cattle saw all buyers competing resulting in most weight classes firm to slightly dearer on the day. Again yearling heifers were a standout with a top of 315/kg.

Grown steers were in good supply with feeder and processors buyers keeping prices mostly firm. Grown heifers were again strong though the heavier 3 scores to average 303c/kg back slightly. Cows were in good supply, particularly the medium and heavy weight classes which came under some pressure resulting in prices being back slightly. The light weight cows to restock saw good demand pushing prices higher.
