 Change -289

comparison date 03/12/2019

Numbers were back 289 head for a total yarding of 1190, with one sale left before the christmas break. Major processor buyers were notably absent on the day, however there was enough buyer interest to keep results mixed except for cows which were cheaper across all classes.

Lightweight yearling steers to restockers were stronger by up 10c/kg on average, and medium weights to feed improved by 7c/kg, and heavy weights were firm. Prices for yearling heifers was mixed with lightweights under 200kg to restockers finding good support to be up to 8c/kg dearer, while the 280kg to 330kg yearling heifers to restockers were cheaper by up to 62c/kg. However medium yearling heifers to the trade improved by 22c, to average 283c, with sales to 296.2c/kg.

There was a limited supply of grown steers and heifers offered with most firm, and only some lesser quality and finish pens cheaper. The supply of cows was of reduced quality and finish, with only limited numbers of good 3 and 4 score cows offered. Without the major processors present cows struggled, losing ground in all categories with heavy cows back 23c/kg on average.
