Yarding 1862  
 Change 477

comparison date 05/11/2019

An increased yarding saw numbers up 477 to 1,862 head. Much of the increase was made up of drought affected cattle and feeder weight yearlings. The increased supply saw some of these categories come under some pressure with buyers rewarding quality. All the buyers were active.

The well finished cattle continue to draw good competition from all the buyers which kept this end of the market firm to dearer on the day. A standout pen of grown heifers reflected this selling to 326c/kg.

A pair of excellent Speckle Park bull calves drew keen interest selling back to the paddock for 368c/kg.
