Numbers increased by 400 head. The majority of regular buyers were back in the market and active, resulting in a predominately firm to dearer market with only the poor condition and lesser quality cattle continuing to struggle.

A good run of yearling steers to feed and the trade attracted good demand making to a top of 316c/kg. Yearling heifers eased back slightly on quality, however the better presented lines sold extremely well to a top of 295c/kg. Medium weight cows to processors were firm to dearer on quality making to a top of 239c, and good heavy cows were also dearer reaching a top of 243c/kg.
