Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 19/11/2019

Yarding 2236
 Change 374

comparison date 12/11/2019

Numbers were up 374 head, for a yarding of 2,236. With dry conditions continuing and the Christmas break approaching supply was up, particularly for cows and young cattle. Quality and condition continues to be mixed, though there were some excellent pens of well finished cattle offered. All buyers were present and active, resulting in a mostly firm to dearer market in all categories. Of note was the interest in light weight young cattle to restock which saw yearling steers and heifers firm to dearer in particular.
