

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 20/08/2019

Yarding 1591
 Change 381

comparison date 13/08/2019

A larger yarding of 1,591 head of very mixed quality cattle came forward to Warwick, and increase of 381 head. A fair panel of buyers was present and operating, however some of the export buyers of the previous week were absent. Light weight yearling steers returning to the paddock lost the gains of the previous week to average close to 30c/kg less. There was a large variation in the standard of the medium weight yearling steers to feed and prices reduced accordingly. However a small selection of well presented yearling steers suitable for the trade experienced strong demand. Most classes of yearling heifers sold to a cheaper trend. A fair supply of cows generally sold close to the improved prices of the previous sale.

Steer calves returning to the paddock made to 234.2c to average 228c/kg. The occasional vealer heifer sold to local butchers at 289.2c/kg. Light weight yearling steers sold to restockers at an average of 232c with sales to 260.2c/kg. Medium weight yearling steers to feed averaged 271c and made to 295c, and a few heavy weights to feed averaged 286c/kg. The best of the heavy weight yearling steers to the trade made to 325.2c to average 309c/kg. Light weight yearling heifers mostly sold around 190c with some to 218.2c/kg. Medium weight yearling heifers to feed averaged 249c, and local trade lines made to 288c to average 267c/kg. The occasional heavy weight yearling heifer to the trade made to 302.2c/kg.

Heavy grown steers and bullocks were very scarce and a single bullock made to 320.2c/kg. Medium weight poor condition cows averaged 146c and the better 2 scores averaged 180c and made to 201.2c/kg. Good heavy cows mostly sold around 228c with sales to 236.2c/kg. Heavy bulls made to 279.2c/kg.
