

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 23/04/2019

Yarding 897
 Change -849

comparison date 16/04/2019

The short working week halved the number of stock from the previous weeks level to 897 head. The usual export buyers were present and operating, however not all the regular feeder buyers were in attendance. Light weight yearling steers to restockers improved in price, medium weight yearling steers to feed sold to a cheaper trend. Light weight yearling heifers met a very subdued market, while a short supply of heavyweight yearling heifers to the trade were in demand. All classes of cows improved in price with heavy cows 5c to 10c better, and plain condition cows lifted in price by 20c to 25c/kg and more in places.

Steer calves returning to the paddock made to 249.2c, and mixed sex calves averaged 163c/kg. A handful of vealer heifers to the trade made to 273.2c to average 265c/kg. Lightweight yearling steers sold to restockers at an average of 258c with sales to 266.2c/kg. Medium weight yearling steers to feed averaged 260c and made to 268.2c, while a small selection to the trade made to 301.2c/kg. Light weight yearling heifers averaged 168c and made to 189.2c, and poor quality lines averaged 144c/kg. Medium weight yearling heifers to feed averaged 224c, and a small selection of heavyweights to the trade averaged 270c with the occasional sale to 317.2c/kg to return \$2094/head.

A handful of certified grain fed export heifers made to 288.2c/kg. Medium weight poor condition cows averaged 153c, and the better 2 scores averaged 185c and made to 207.2c/kg. Good heavy cows averaged 231c and made to 242.2c/kg. Bulls made to 240.2c/kg.
