

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Warwick

report date 26/11/2019

Yarding 2328  
 Change 92

comparison date 19/11/2019

Numbers were up 92 head for a total of 2,328. With the continued dry and Christmas approaching the yarding was predominately poorer conditioned cattle, with only limited pens of well finished stock on offer. All buyers were present, though they were putting pressure on quality resulting in a softer market for many categories.

Light weight young cattle to restock and background defied the trend to be firm to slightly dearer, as well as the medium weight heifers to feed which managed to also be firm to slightly dearer. Other categories of yearling heifers and the medium to heavy yearling steers were all cheaper on the day.

Light weight grown steers were slightly dearer, while the heavy weights were firm. The medium weight steers and grown heifers were back on the day. A mostly poorer quality and conditioned yarding of cows saw all classes cheaper, with the medium and heavy weights being back 35c/kg reflecting the slower buying by the works as the Christmas shutdown approaches.
