

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Warwick

report date 28/01/2020

Yarding 1029
 Change 178

comparison date 21/01/2020

With good rains and better forecasts across much of the region the market was firm to dearer across the board. All the regular buyers were active alongside the return of buyers to restock that had been absent in past weeks.

Yearling steers in the lighter weights were dearer as confidence builds with rain. Under 200kg steers to restock averaged 302.7c/kg, while the 200-280kg class, also to restock, averaged 316.6c/kg leaving both classes dearer. The medium weights to feed and restock were firm, holding onto the gains made last week. The heavy weights were up slightly to average 312c/kg.

Yearling Heifers made better gains with the lightweights under 200kg up 11c to average 295.7c/kg, whilst mediums were up 11c averaging 270.3c/kg to restock. Excellent quality heifers offered saw the heavy class rise 35c to average 326.5c/kg.

Some very good heavy grown steers were offered averaging 333.3c/kg to be 28c dearer.

Grown heifers sold to firm and slightly dearer prices holding onto good gains made last week. Good quality 3 score heifers under 540kg averaged 296.3c/kg, up 8c.

Cows were the big movers on the day with all weight classes dearer. Restock buying in the lightweight class saw prices up 19c to average 201.1c/kg. Medium and heavy weights were up 29c at 269.4c/kg and 272.7c/kg respectively.

A couple of well presented bulls made 324c/kg with most weight classes up on the day.
